

T-Mobile®

Listen...

If you thrive on the challenge of the work you do, it often doesn't feel like work, does it? Especially if you work for a rare kind of company that encourages you to dream big, to make your own path—and then gives you the resources and support to make your vision a reality.

T-MOBILE IS THAT KIND OF COMPANY.

The only thing limiting you here is the
limits of your own imagination.

We'll warn you, it's a little scary that way. When there's not a "that's-how-it's-always-been-done" to fall back on. But it's pretty rewarding to head home at the end of a work day and know you made a difference.

There's a certain kind of person who thrives here. Creative, hard-working, and self-motivated. A change agent. Basically, someone who can keep up...and still keep a sense of humor.

GET MORE. IT'S OUR COMPANY SLOGAN. BUT WHAT DOES THAT MEAN ANYWAY?

Well, our commitment to that little idea carries a lot of weight with our customers. Because we're not just striving to be the best mobile communications company in the industry, we want to be the best service company in the world.

Sound like a lofty goal? It is.

Get More.

But what's in it for me?

OUR EMPLOYEES REAP THE REWARDS OF OUR "GET MORE" PHILOSOPHY TOO. ASK THEM.

They'll tell you they've never worked at a company where hard work and big ideas are so well rewarded. Where they've felt so appreciated. They'll tell you how much the recognition and respect they feel here makes them want to do the best work of their careers.

And they do.

Benefits

T-Mobile also has one of the most comprehensive benefit packages in the business because, quite simply, our people set the standard. We want the best and the brightest working for us, so we make sure to take good care of them.

All full and part-time employees enjoy comprehensive healthcare, discounted phone service, educational assistance, and a company-matched 401(k) plan. Also, because we're growing so fast, there are lots of opportunities to advance.

At T-Mobile, our word is our pledge.

- We value simplicity – think big, act small.
- Recognize and celebrate individual and team success.
- I am T-Mobile – count on me.
- Customer delight drives actions.
- Leaders coach and develop leaders.
- Practice team together team apart.

We take the company values we worked hard to develop very seriously, and we use them to help dictate the choices we make every single day.

To cut to the chase, a relentless focus on our customers is our ultimate goal. To that end, we respect, encourage, and reward our team members at every opportunity—because we know they’re the ones who make the real difference for the customer.

Oh, and we usually have a lot of fun in the process!

Thanks for your time and interest in T-Mobile. We’re looking forward to getting to know you better.
